VRA Foundation  
4612 Kingsrow Drive  
Glen Allen, VA 23060

Dear VRA Member:

One of the great benefits of your membership in the Virginia Rehabilitation Association is the VRA Foundation. Through an application process, the Foundation awards educational scholarships to VRA members and their family members. The Foundation is committed to education, personal development and providing opportunities to it's membership.

For a little background, VRA created the Grant In Aid Program in 1985 and began with only \$1000. Since that time the investments have grown to more than \$22,000. These investments provide a small secure yield which is given each year in scholarships and to date the Foundation has awarded \$13,350 in scholarships. We would like to do even more and with your help we can help others to grow and develop. Your contributions to the VRA Foundation, a 501(c)3 organization, are tax deductible and will grow our principal investment, increasing the amount available for distribution. Contributions are accepted at any time and can be for any amount. Please see the enclosed pledge form and **remember** the Foundation when you budget for your annual gift giving.

Sincerely,

Bill Burnside  
VRA Foundation Chair
