

Dear Colleagues:

The mission of Virginia Rehabilitation Association (VRA) is to promote issues that enable persons with disabilities to participate in the mainstream of society, and to provide opportunities for professional development for persons in the field of rehabilitation and independent living.

VRA Gives Back – Special Projects Committee would like to extend an invitation for you to share with us a nomination. You can nominate a student of Vocational Rehabilitation, a family in need, a consumer in need, or a project in the state of Virginia that highlights the mission and values of VRA and is in need of support and/or funds for their endeavors.

Please contact Margie Millner, Special Projects Committee Chair, with any questions. Submit your recommendation by completing information as outlined below and email to:
